

It is with regret that the Division of Homeland Security and Emergency Services, Office of Fire Prevention and Control, must announce the death of Firefighter Jared Lloyd of the Spring Valley Fire Department on March 23, 2021.

Firefighter Lloyd, age 35, died as a result of injuries while operating at a fire in an assisted living facility in Rockland County in the early morning hours of Tuesday, March 23, 2021.

Dates and times for services are not yet available, however, information will be provided when the arrangements are finalized.

In memory of Firefighter Lloyd, all OFPC uniformed personnel are directed to display the black mourning band on their uniform badge until sunset of the day he is laid to rest.

Our thoughts and prayers go out to Firefighter Lloyd's family and the members of Spring Valley Fire Department.
